The Derby Swim Club (DSC) provides an opportunity for all children of the Derby community and surrounding areas to participate in a competitive swim program. DSC is an age group seasonal swim club sanctioned through USA Swimming. It is designed to encourage maximum participation, provide an educational experience, enhance physical and mental conditioning and develop a rich base of swimming talent. While it is nice to have the team win meets and individual swimmers place high in their individual or relay events, the success of the DSC is not solely based on scores. DSC is a success when each swimmer regardless of ability improves in stroke development, swimming skills, event times, and enjoy their activities. DSC is a success when participants develop a lifelong love of swimming.

### **REGISTRATION & INSURANCE FEE**

The cost for Summer Swim Team is \$150. USA Swimming also requires insurance on all registered swimmers, which is a cost of \$40. Swimmers participating in Fall and/or Winter sessions at the DRC, will have already paid their swimmers insurance, to cover their membership through the end of July. USA Swimming offers the Outreach Program for insuring any family that qualifies for free or reduced lunch through USD260. Please come talk with us, if you'd like more information on that.

---

### **TEAM SUITS & CAPS**

Team suits are encouraged, but not required. The suits we offer are made for competition and hold up longer in the chlorine. If you do decide to purchase a suit, please follow the directions for wash & care. If you do not decide to purchase a team suit, female swimmers may wear any one piece fitted suit (no bikinis). Male swimmers are asked to wear jammers or speedos; made for swimming.

Team caps are REQUIRED. This makes it easier for the coach and parents to see our swimmers in line up and on the block. Team Caps are sold for \$10/each. We will also be placing an order for PERSONALIZED CAPS, through The Starting Block. They do require you purchase (2), and they are \$20. If you have more than one swimmer, we suggest putting the last name on the cap.

### **HEAT SHEET ADS**

## **The People of the DSC Board**

### **Board Members**

**Angie Ward, President**-My family has been with Derby Swim Club every summer, since 2011. All three of my kids, age 20, 12, and 5 are swimmers, and we basically live at the pool year round. We love what swim has done for our children's goal-setting, problem-solving, and work ethic, but also love their passion for the sport and how happy it makes them. I was Vice President from 2015-16, and nominated President summer 2016. We are relocating to Lawrence this spring, and are going to try to commute for the summer meets. I'm excited to see Brenda Thome as our new President for Summer!

**Brenda Thome, Vice President**-I will be stepping up as President this summer, and hope to meet more of you, and get to know you and your swimmers. I have served on the Board at Twin River Club, and have been actively involved with Aqua Shocks for many years. I also currently serve as Vice President of GPSL. Both my 16-year old son, and 12-year old daughter swim year round with Aqua Shocks. Chloe started swimming with Derby last summer, and Colton continued swimming for Twin River Club, so it makes for a fun House Divided in the Summer. I look forward to a great summer with Derby!

***Darcie Parkhurst, Secretary*** - Joined DSC Board in the fall of 2016 as Secretary. I have twins that joined the team last summer for the first year, at the age of 7. I was on the Derby Dolphins team back in my “younger years,” and I am so excited to be a part of the team again, as a parent and volunteer.

***Kim Simon, Treasurer***- This is my 2nd year on the DSC Board, but last year I served as the Member at Large. We have 5 children, but 3 are grown. Our 13 yr. old twin daughters have grown up in the pool, and this will be their 3<sup>rd</sup> year with DSC. In the off-season, we are busy playing soccer; my first passion. I currently work at Intrust Bank, N.A. and IRD, and the rest of the time I try to keep up with the kids. We are looking forward to this coming swim season!

***Ryan McEachern, Member-at-large***- Joined DSC Board 2016, as the Member at Large. I have a 14-year old swimmer, who joined the Dolphins in 2014. I have been operating the timing system at our home meets for 2 years. I really enjoy seeing our team grow and compete each week, and seeing families get together to cheer on our swimmers.

***Heidi Barclay, Computer Chair***-I joined the DSC Board in 2016, and will be operating the computer system. My 12-year old daughter started swimming competitively last year, and 2016 was her first summer with Dolphins. We love the close family-feel of the team, and those fun summer nights at meets.

### **Coaching Staff**

***Jimmy Adams, Head Coach***-US/World History Teacher Derby High School, 2nd year head coach for DSC, Head Coach Derby Swim & Dive, Head Coach Derby Cross Country, Asst. Coach Track, Personal Triathlon Coach. As a coach of many different sports, for over 20 years, I have developed a unique style of working with young athletes. I fully believe in the importance of the experience in sport, over the winning and losing aspect. I do believe that winning and losing gracefully is an important lesson that comes with being an athlete, but should not be the main focus. Learning to be a solid, dependable teammate will hopefully result in a responsible young adult in the future. I am not a cheerleader (I have coached it) or a parent, but a coach. I watch each athlete, and try to correct any areas of weakness and promote strengths.

***Lindsey Hostetler, Assistant Coach*** -I grew up swimming and was a high school state swimmer. I've taught swim lessons for several years and was also a stroke and turn judge for Missouri Valley. I am a wife, mom, grandma, and soon to be teacher in 2017. I love swimming and coaching kids to reach their fullest potential, with a focus on teaching correct stroke techniques.

Derby Swim Club uses Signupgenius.com for all of our volunteer needs. Every family has a responsibility to the Club, to the team and to their swimmer(s) to volunteer at our meets.

Please ensure that your current email is on file. We will send out an email invitations to view sign up for Sign Up Genius, so you may view the sign ups for each meet.

**Minimum** Requirements:

Green and White Meet = 1 volunteer spot per family

Swim Meets (6) = 5 volunteer spots per family

League Finals = 1 volunteer spot per family

*\*League Finals may require (2) Volunteer spots if you have more than one swimmer*

Please step up when possible to fill empty spots. No meet can run without the Volunteers!
